

MASTER TRADER COURSE

Greetings from Master trader Ekta!!!
Thanks for showing interest in
“Master Trader Course”. A revolutionary
course to make you an expert in all
dimensions of the Stock Market. This Course is going to be an
eye-opener for
Intraday and Positional Traders, probably
never heard of the Indian Stock Market
training arena. The
trades generated are highly accurate with
small Stop-Loss and big targets. In this
course, we only try to find out the institutional
activity which cuts the noise and high
Intraday fluctuations of Stocks, thereby
resulting in Big Intraday Targets.

SALIENT FEATURES OF THE COURSE

The course is designed for beginners, investors to advanced traders.

Teaching and investing ideas will be generated using free websites and other free platforms. Access the online course from anywhere (Mobile, Desktop, and Laptop).

Worried about not learning the entire course contents within the training period? We have a solution for the same. You will get the recorded videos for the repeated references.

Separate session to clarify the doubts of the students.
